To the California Veteran Community:

I am pleased to announce that, for the fourth year in a row, we have been able to identify a small amount of discretionary funds. The funds will be made available through grants to homeless veteran providers conducting outreach events.

If you are interested in obtaining a grant, please complete the grant application package by carefully following the directions on the "How to Apply" procedure (attached). Please note that this year we are asking for an "after action report".

Thank you again for the valuable services you provide to our deserving veterans, their families and loved ones.

Sincerely,

Jack Kirwan, Chief
Veterans Services Division
